**MOTION FOR EXTENSION OF TIME**

Lori Lynne Forbes, by her attorney, hereby requests one final extension of time within which to respond to the "Motion to Enlarge Issues Against Lori Lynn Forbes" ("Motion") filed in this proceeding by KR Partners on April 15, 1993. With respect thereto, the following is stated:

1. A response to KR's Motion currently is due on today, on May 14, 1993. As noted previously, the Motion concerns Forbes' compliance with the city-grade coverage rules (47 C.F.R. § 73.315(a)&(b)), and therefore requires, in part, an analysis of KR's claims by a Consulting Engineer. The Consulting Engineer retained by Forbes, who is located in Hawaii, returned from the National Association of Broadcasters convention with double pneumonia, which inhibited his ability to complete his analysis and report within the timeframe originally anticipated by Forbes' initial extension request. That illness continues to linger. Consequently, although the Engineering Report has been substantially completed, due to the need to ship the

Report from Honolulu, Hawaii, the complete Report is not yet available for filing. Accordingly, an additional extension of time, of two additional business days, until May 18, 1993, respectfully is requested. It is guaranteed that this is the last extension request that will be sought with respect to this matter.

2. Other counsel in the case have been contacted, and have authorized undersigned counsel to state that they will not interpose an objection to a grant of this Motion.

WHEREFORE, it is respectfully requested that this Motion be granted.

Respectfully submitted,

LORI LYNNE FORBES
